### 2. Appointment of Back-up Agents.

1st Back-up Agent:

Telephone Number(s):

2nd Back-up Agent:

Your initials: \_\_\_\_\_ Date: \_\_\_\_\_

### 3. Agent's Authority and Obligations.

My Agent has the authority to make health care decisions for me and to act as my personal representative, as the term is used in the Health Insurance Portability and Accountability Act (HIPAA). This Health Care Power of Attorney is durable and will continue to be effective if I become disabled, incapacitated or incompetent.

My Agent knows my goals and wishes based on our conversations and on any other guidance I have provided, including this Health Care Power of Attorney, and any other documents I have signed relating to my health care or end-of-life decisions. My guidance also includes any declarations about life-sustaining treatment (see Form B or similar document), directions about disposition of my remains, religious preferences, or where I prefer to die (see Form C or similar document). My Agent has full authority to make decisions for me about my health care according to my goals and wishes. If the choice is unclear, my Agent should decide based on what he or she believes to be in my best interests. My Agent's authority to interpret my goals and wishes and to act for me is intended to be broad and includes, but is not limited to, the following authorities:

- a. To agree to, refuse, or withdraw consent to any type of medical care, treatment, surgical procedures, tests, or medications. This includes decisions about using mechanical or other procedures affecting any bodily function, such as artificial respiration, artificially supplied nutrition and hydration (for example, tube feeding), cardiopulmonary resuscitation, or other forms of medical support, even if the decision is to stop or withhold treatment that could result in my death.
- b. To have access to medical records and information to the same extent I am entitled, including the right to disclose health information to others.
- c. To authorize my admission to or discharge from any hospital, nursing home, residential care, assisted-living or similar facility or service.
- d. To contract for any health care-related service or facility for me or apply for public or private health care benefits, with the understanding my Agent is not personally financially responsible for those contracts.
- e. To hire and fire medical, social service, and other support personnel who are responsible for my care.
- f. To authorize my participation in medical research related to my medical condition.
- g. To agree to or to refuse the use of any medication or procedure intended to relieve pain or discomfort.
- h. To decide about body, organ and tissue donations.
- i. To execute Provider Orders for Life-Sustaining Treatment (POLST) on my behalf, provided that such POLST must be consistent with any advance directive I have previously signed and have not revoked.
- j. To take any other action necessary to accomplish what I authorize here, including the signing of waivers or other documents, pursuing any dispute resolution process, or filing claims or taking legal action in my name.

**4. When My Agent's Authority Becomes Effective.**

My Agent's authority to make health care decisions for me takes effect at the following time [**Choose either Option A or B, but not both, by marking the box in front of the option you choose**]:

**Option A: Authority is effective immediately:** My Agent's authority becomes effective immediately after I sign this document. However, I still have the right to make any decisions about my health care if I want to and have the capacity to do so.

**Option B: Authority is effective ONLY when I can NOT make my own health care decisions:** My Agent's authority becomes effective only when my attending or primary care physician, advanced practice registered nurse or other person I designate determines I lack the capacity to make my own health care decisions.

**5. Guidance and Preferences (Optional).**

*[Below you may provide additional directions to your Agent to express your preferences about specific health matters. Examples include directions about blood or blood products; chemotherapy; diagnostic tests; surgery; body, organ and tissue donations; and so on]:*

My Agent should make decisions for me consistent with my directions below:

*[You may attach additional pages.]*

I am attaching additional directions and preferences on separate page(s).

**6. Nomination of Legal Guardian.**

I nominate my Agent (or my Back-up Agents, in the order listed, if my Agent is unavailable or unwilling to serve) as my legal guardian if it becomes necessary for a district court to appoint a guardian, with the legal authority to make decisions as determined by the court.

**7. Determination Regarding My Capacity to Make Decisions.**

If it is necessary to determine whether I lack the capacity to make my own health care decisions, my attending or primary care physician or advanced practice registered nurse shall make such determination.

## 8. Administrative Provisions.

- a. Health care providers can rely on my Agent. No one who relies in good faith on any representations by my Agent (including my Back-up Agent) is liable to me, my estate, or my heirs for recognizing the Agent's authority.
- b. I revoke any previous Health Care Power of Attorney I have signed.
- c. To the extent this Health Care Power of Attorney and any attachments are inconsistent with a prior advance directive or other document previously executed by me, this document shall have precedence.
- d. I direct my Agent and health care providers who are provided with this document to ensure any future Providers Orders for Life Sustaining Treatment (POLST) or similar document are consistent with my wishes expressed in this Health Care Power of Attorney, my most current Declaration for Use of Life-Sustaining Treatment (Living Will), such as that in Form B, and additional written directions related to my religious preference, preferred location of death, disposition of remains and other related matters, such as those preferences detailed in Form C or a similar document.
- e. I intend this Health Care Power of Attorney to be universal and valid in any jurisdiction in which it is presented.
- f. I intend for copies of this document to be effective as the original.
- g. My Agent (*check one*):  **is** OR  **is not** entitled to reasonable compensation for services performed under this Health Care Power of Attorney. Regardless, my Agent is entitled to reimbursement for all reasonable expenses resulting from acting under this Health Care Power of Attorney.
- h. If a court finds any provision of this Health Care Power of Attorney to be invalid or unenforceable, I intend this document to be interpreted as if that provision was not part of this document.

## 9. Instructions for Optional Forms B and C.

*[You may provide additional instructions on the two forms following this Health Care Power of Attorney. **Form B** allows you to express your preferences about the use of life-sustaining treatment under the Montana Rights of the Terminally Ill Act. **Form C** provides an opportunity to indicate religious preferences, preferred location of death, and the disposition of your remains under the Montana Right of Disposition Act.]*
